

TRAIN EVERY EMPLOYEE. NO SEAT LIMITS.

Every Operating Member subscription includes SGA training for all employees, in every operating category — no per-seat fees, no allocation to manage. Since 1908, SGA has linked people, ideas and information across the natural gas industry, from drill bit to burner tip.

CAMPUS 24/7

On-demand learning available any hour, for any employee who needs it.

VIRTUAL LIVE INSTRUCTOR-LED

Scheduled VILT sessions taught by industry practitioners — included, unlimited seats.

15% OFF IN-PERSON

Member discount on in-person events, workshops and conferences.

WHY JOIN SGA

- 🔧 **Networking** — 200 operating member companies and 300+ industry partners across the U.S. and Canada.
- 🔧 **Training & education** — virtual instructor-led, on-demand, onsite and hands-on, with PDH certificates.
- 🔧 **Thought leadership** — best practices shaped by the operators doing the work.
- 🔧 **50+ disciplines** — committees and councils covering the full breadth of gas operations.
- 🔧 **Events** — Operations Conference, Safety & Training Conference and Gas Machinery Conference.
- 🔧 **Corporate membership** — every employee of a member company is a member.

MEMBERSHIP CLASSIFICATIONS

DISTRIBUTION & TRANSMISSION

Includes the full training subscription

Distribution members function as a gas distributor or operator of gas distribution facilities, or of both distribution and transmission facilities. **Transmission** members operate gas transmission facilities without major distribution facilities. Rates are based on Gas Operating Income before Interest and Taxes, excluding one-time events.

\$0-30M	\$30-60M	\$60-90M	\$90-120M	\$120-150M	\$150M+
\$38,369	\$48,954	\$60,641	\$70,123	\$80,708	\$102,318

Tier = Gas Operating Income before Interest and Taxes.

MUNICIPAL

\$0.20 per meter

MINIMUM \$2,205

Organizations that own, operate or manage municipally or publicly owned natural gas distribution systems providing gas service to the public.

GAS SUPPLY MARKETING

\$11,026

PER YEAR

Organizations whose principal gas business is operating as a producer or marketer of natural gas.

ASSOCIATE **\$2,500** PER YEAR

Corporations, partnerships, limited liability companies or individually operated concerns that are:

A. Manufacturers or distributors of equipment or apparatus useful to the gas industry; or

B. Consulting engineers, attorneys, financial advisors, rate consultants, public accountants, service organizations, technical journal publishers, or others not eligible for another classification that are closely associated with and regularly render service to the gas industry.

90%
TRAINING

10%
DUES

0%
LOBBYING

For all Training Subscription members, 90% of the subscription covers training, 10% is dues, and none is allocated to lobbying.

READY TO JOIN THE INDUSTRY'S STRONGEST NETWORK?

Whether you're developing your workforce, strengthening operations, influencing industry best practices, or connecting with peers across North America, SGA membership is built to help your organization succeed. Join today and connect your organization to the people, knowledge and resources advancing the natural gas industry.
