

SGA Awards Media Kit

The winners of the 2024 SGA Awards were revealed during the Operations Conference. They were selected from 71 submissions with more than 5,113 votes cast from Southern Gas Association members.

The Southern Gas Association proudly recognizes leading companies across North America with the prestigious SGA Awards. We shine a spotlight on member organizations achieving tangible results and advancing the natural gas industry. These awards showcase the innovation, dedication, and success driving our industry forward.

SGA Awards celebrates individuals and teams for their technical contributions, professional excellence, career achievement, service to colleagues, industry leadership and community service.
