

Ashley Babcock
Vice President of Corporate Performance

Experience:

Ashley Babcock joined the Miller Pipeline team in 2025 as Vice President of Corporate Performance. Prior to Miller Pipeline, Ashley worked for 15 years in the utility industry, serving in various leadership roles, most recently serving as Vice President of Indiana and Ohio Gas at CenterPoint Energy. She served in a variety of roles in Gas Engineering, Performance Management, Continuous Improvement, Dispatch and Scheduling, Damage Prevention and Meter Reading. Before entering the utility industry, Ashley worked as a Quality Engineer at Toyota Motor Manufacturing, Indiana.

Industry / Community Involvement:

Ashley is active in the American Gas Association, Ohio Gas Association, Indiana Energy Association, and Midwest Energy Association's Energetic Women. She also serves on the Youth First board, an Indiana nonprofit dedicated to strengthening young people and their families, and is a member of the University of Southern Indiana's School of Business Board of Advisors.

Education:

Ashley holds a Bachelor's degree in Industrial Engineering from Purdue University and an MBA from the University of Southern Indiana.
