

Jason Started with EGW in October of 2021 as the Director of Business Development. In August of 2022 his role changed to VP of Sales and Marketing-Services, which is the current capacity he serves the organization in. His responsibilities include growing the EGW Field, Compliance, and Repair department revenues and exposure.

Before joining EGW, Jason spent 13 years with Industrial Training Services, Inc., where he helped grow the company from a small regional service provider to one of the top OQ and Database providers in the United States. His passion for the natural gas industry has led him to hold positions on various boards and committees, including the Tennessee Gas Association, Kentucky Gas Association, Alabama Gas Association, Carolina's Public Gas Association, Louisiana Gas Association, American Public Gas Association, Northeast Gas Association, Southern Gas Association, ASME B31Q Standards Committee, and API OQ Working Group, to name a few.

Personal life, Jason is the father of 4 boys and has been married to his wife, Vanessa, for 20 years. If you've been to many industry events, you have probably spotted their family traveling together in support of the Natural Gas industry. His hobbies include playing guitar and classic cars.

Jason has many years of industry knowledge and an emphasis on building solid relationships based on integrity.
