

Paul Khuri

VP–Business Development, SeekOps, Inc.

Paul Khuri is Vice President of Business Development for SeekOps Inc., an emissions sensor technology company based in Austin, Texas. He has over 20 years of experience in launching new technologies in the energy industry, especially in measurement and instrumentation related to greenhouse gas emissions. After starting his career as a subsea systems project manager with Cameron, Paul helped launch the company's first all-electric subsea Christmas Tree. His business development and sales leadership helped key growth for several technology companies including Roxar Flow Measurement, Fluenta flare gas meters, Sagebrush Pipeline Equipment/Circor Energy, Vista Precision Leak Detection Solutions, and Aker/Fjords Processing. Paul earned his Bachelor's degree in Aerospace Engineering from Texas A&M University and a Master's degree in Project Management from the Air Force Institute of Technology. He is a registered Project Management Professional (PMP) and a member of the Southern Gas Association's New Technology Task Force. He has been a member of SGA since 2009.
