

Natural Gas Industry Professional with over 32 years' experience related to natural gas distribution. I've spent most of his career managing and supplying natural gas products to utilities throughout the Central Region. I spent the first 15 years of his career working for Natural Gas Odorizing. Then assumed sales leadership roles with Dresser and Honeywell / American Meter.

During his 32 years of service, I developed close personal and professional relationships with several key individuals within the IOU market.

I also been an active member of several natural gas industry associations including...AGA, SGA, MEA, WUA.

Currently I live in Bartlett, IL with his wife JoAnn. Two older sons that both live in Arizona. They enjoy outdoor activities such as boating, fishing, and traveling to their Townhouse in Arizona.
